

# NRA Shooting Sports Camp

## J.N. Webster Scout Reservation

### August 9-15, 2009

The NRA Shooting Sports Camp provide Scouts, the opportunity to come together under a formal program to learn, experience, share, and grow in appreciation of the shooting sports. The camp themes offered in the program are designed for *discovery*. They provide exposure to the many different activities available in shooting sports and offer camp participants the opportunity to explore them in a safe, controlled environment. Advanced instruction as well as a Hunter's Safety Course will be run. This meets the requirements of the Connecticut DEP for a Hunter's License.

**Shooting Sports Program:** Scouts are instructed on the safety of shooting. Each scout must attend an annual orientation at each range before they are allowed to use the equipment. On the Archery Range, scouts are shown the proper and safe use of archery equipment. Standard targets and action archery challenge scouts and leaders alike. The .22 caliber rifle range offers 8 bays for scouts to improve their marksmanship.

Hints from our certified staff will certainly improve a scout's aim. Shotgun shooting is a terrific hit year after year and will be continued this season.

*The fee for the week is \$350*
